learning a language
is like doing a jigsaw puzzle
of a million pieces
with a picture that keeps changing
it's like getting lost in a foreign city
without a map
it's like playing tennis without a ball
like being an ant in a field of grasshoppers
it's like being an acrobat with a broken leg
an actor without a script
a carpenter without a saw
a storyteller without a middle or an end

but then gradually
it's like being out in the early morning
with the mist lifting
it's like a chink of light under a door
like finding the glove you were looking for
catching the train you thought you were going to miss
getting an unexpected present
exchanging a smile

and then one day it's like riding a bicycle
very fast downhill
